Professional Dog Grooming

About Town Dog Studio

OUR WEBSITE

Our website has just been updated with new information and photographs of our beautiful customers! Log on to www.dogsabouttown.com.au to have a look!

We will be putting up photos of new pets all the time so check back to see if your spoilt friend is online for the whole world to admire . . .

There's also lots of information on helping your dog to enjoy their baths and grooming sessions, and tips on how you can keep them looking great in between trips to our Studio.

You can even book using our online Booking Form. We'd also love to hear any feedback and comments you have.

ORGANISATIONS WE SUPPORT

Here at About Town Dog Studio we are passionate about animal wellbeing, and regularly donate to the RSPCA and the Hahndorf Animal Shelter.

Our Glenunga and Blackwood salons have been so sought after that we have opened a third salon in Rostrevor to facilitate our growing number of clients.

We are located at:

491 Portrush Road GLENUNGA
274 Montacute Road ROSTREVOR
170 Main Road BLACKWOOD

For all bookings please ring:

1300 735 597

Email: abouttowndogs@internode.on.net

NEW FREE IPHONE APP

We now have a great new iPhone app that allows you to create bookings, check out photos and find out about special deals. Find us in the app store!

Pampering your Pooch

Molly

About Town Dog Studio is the premier dog grooming and clipping salon in Adelaide, South Australia. We really know how to spoil your four-legged friends.

Our friendly family business has been working hard to pamper Adelaide's dogs for nearly 20 years, and each studio offers experienced and confident groomers.

We offer a range of services including bathing and clipping as well as caring for dogs' nails, ears and anal glands.

We at About Town Dog Studio pride ourselves on giving your dog the best possible grooming experience. Grooming and clipping an animal requires much stamina and expertise, as well as patience and understanding of both people and animals. Over many years we have perfected our dog grooming practices to enable us to offer your dog the best grooming service.

Daisy

Our Services...

Wash and Tidy

Full professional **grooming** of the coat, nails clipped, ears cleaned (and plucked if required), shampoo and conditioning, blow dry, and finishing by tidying the face, feet and groin area. With a wash & tidy the length of the coat is kept as it is, but all knots and shedding hair are removed.

Grooming

This is a service for long haired dogs that are not usually clipped. It follows the same process as a wash and tidy, but is for very long coated breeds.

Full Clipping

Full professional **clipping** of the coat, nails clipped, ears cleaned (and plucked if required), shampoo and conditioning, blow dry, and finishing by tidying the face, feet and groin area. We are able to do specific breed clips suited to each individual dog and work with your preferences to achieve the perfect result!

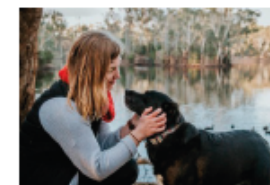

- We use fresh, warm water to bath your dog.
- We use a variety of shampoos depending on your dogs needs, including shampoo for sensitive skin.
- The workroom is air-conditioned.
- Fresh water is available at all times.
- Special Liver Treats are provided
- **All breeds and sizes**
- Puppies and old dogs are a specialty
- Flea wash if required
- No sedatives used
- EFTPOS available
- Open Saturdays

Extras...

Pet Photography

We work closely with the wonderful Kirstie McConnell, a great photographer from Bitsa Bernard who specializes in animal photography. The photo below is one of her many great shots!

Visit her website at www.bitsabernard.com.au
Or call **0435 879 952** for more information!

In-store Vet

At our Blackwood studio we are lucky enough to have Dr. David Lindsay, a veterinarian and animal chiropractor. Animals experience joint pain and injury like we do, and if your dog is showing signs of discomfort Dr. Lindsay can help!

Call **0419 553 330** if you would like to make an appointment.
